**MOTION FOR LATE ACCEPTANCE OF NOTICE CONCERNING
TERMINATION DATE OF A GLOBAL RESELLER EXPEDITED PACKAGE
SERVICES 2 NEGOTIATED SERVICE AGREEMENT**
(July 11, 2018)

The United States Postal Service (Postal Service) hereby moves for late acceptance of its notice concerning the termination date of the agreement that is the subject of this docket.¹ The notice was filed on July 11, 2018, but concerns the revision of the termination date from May 31, 2018, to June 30, 2018, for the agreement that is the subject of this docket.

On May 23, 2018, the Postal Regulatory Commission (Commission) approved Modification Three to the agreement that is the subject of this docket, stating that:

[t]he Existing Agreement is set to expire May 31, 2018. Order No. 3912 at 5. The Modification revises the expiration date to be conditional on when the Commission completes its review of the successor agreement in Docket No. CP2018-221. Notice at 1. If the Commission completes that review by May 31, 2018, the Existing Agreement will expire on May 31, 2018. *Id.* If the Commission does not complete that review by May 31, 2018, the Existing Agreement will expire the earlier of one business day after that review is completed, or June 30, 2018. *Id.* at 1-2.²

¹ United States Postal Service Notice concerning Termination Date of a Global Reseller Expedited Package Services 2 Negotiated Service Agreement, Docket No. CP2017-186, July 11, 2018.

² PRC Order No. 4614, Order Approving Modification Three to Global Reseller Expedited Package Services 2 Negotiated Service Agreement and Denying as Moot Motion for Temporary Relief, Docket No. CP2017-186, May 23, 2018, at 2.

On May 29, 2018, the Commission completed its review of the agreement that is the subject of Docket No. CP2018-221, stating that, “[t]he Agreement is intended to take effect June 1, 2018.”³

However, for a variety of reasons, including the amount of time between the issuing of Order No. 4623 on May 29, 2018, and June 1, 2018, rate programming processes related to Postal Service-approved PC Postage Providers, Postal Service internal communications that led to a misunderstanding about the start date, the revised expiration date for the agreement that is the subject of this docket was filed only on July 11, 2018. The Postal Service regrets the delay but submits that no party has been materially prejudiced by it.

Thus, the Postal Service respectfully moves for late acceptance of the notice of the revision of the termination date of the agreement that is the subject of this docket.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
